INT. STUDY - DAY

YEVON, 18, recently denoted queen of Evancolia, sets her crown on the table. She sits and begins to write.

YEVON (V.O.)
My dearest Rei, are you well? It
has been a while hasn't it?

MONTAGE

INT. THRONE ROOM - DAY

-Yevon is crowned queen

-Everyone at the ceremony cheers

YEVON (V.O.)
I have just been inducted as the
queen of Evancolia, this means that
I will not be able to speak to you
very often. For that I apologize.

-her cousin CHAIN, 25, who wants her crown, bursts into the halls.

-The two confront each other. Yevon is peaceful, while Chain is furious.

YEVON (V.O.)
My cousin, Chain, the one who wants
to claim my crown, has come to
visit. He wants the crown for
himself, but we have known that for
quite some time now.

EXT. STUDY - NIGHT

- Chain is outside the study, peeking in through the window.

INT. STUDY - NIGHT

- Chain enters the study, and rummages through Yevon's desk.

YEVON (V.O.)
I fear he is up to no good. I have
offered him shelter to keep close
watch on him. I do hope my worries
are for naught, but you can never
be too careful.

- Chain finds a letter addressed to REI, 23, heir to the Cerulean Dynasty. He reads the letter.

YEVON (V.O.)
Do not worry, I will send letters
when I can. I love you. Yevon.

- Chain crushes the letter, and begins to write.

REI (V.O.)
Yevon, it has been weeks since I
have heard from you.

INT. THRONE ROOM - DAY

- Yevon is sitting at her throne, accepting gifts.

REI (V.O.)
I know how busy the life of a ruler
is, but how terribly I miss you.

INT. STUDY - DAY

- Letters begin to pile on Yevon's desk.

REI (V.O.)
You are a marvelous queen, I do not
have to witness it to know that.

- Yevon sits at her desk, writing.

REI (V.O.)
I only want what is best for you,
for your kingdom, and for our
future. Your love, Rei.

- The letters on Yevon's desk grow ten fold.

YEVON (V.O.)
My dearest Rei, I have been quite
busy. I apologize greatly for my
lack of responses.

INT. THRONE ROOM - DAY

- Villagers are yelling at Yevon, guards are trying to calm them down.

YEVON (V.O.)
The life of a queen is not simple,

INT. STUDY - NIGHT

- Papers are strewn about the room, Yevon looks disheveled as she writes at her desk.

YEVON (V.O.)
I have most certainly taken the
responsibilities lightly.

- Chain and Yevon get into an argument, the guards are unsure of what side to take

YEVON (V.O.)
Although it is more difficult than
I had originally anticipated, I am
doing what I must to ensure the
safety of our kingdom.

INT. THRONE ROOM

- People are cheering, Yevon looks tired.

YEVON (V.O.)
A ceremony for the pleasant dragon
was held recently, and it was a
wide success. I wish you could have
been there to see it. I miss you
terribly.

- The guards speak with Yevon, she nods.

YEVON (V.O.)
Our beacon of hope is something
much worth celebrating. It amazes
me that he was able to take on an
entire nation. Just a single
dragon.

- Chain speaks to the guards, they all look at one another and nod.

YEVON (V.O.)
We are holding a ball later in the
month if you would like to attend.
I would just love to see you there.

INT. STUDY - NIGHT

- Chain enters Yevon's study, he throws all the letters into the fire pit.

YEVON (V.O.)
Always waiting, Yevon.

- Chain sits at Yevon's desk and writes.

REI (V.O.)
Yevon, I do not understand. If
being queen is so difficult, can
you not simply pass on the crown?

-A mob enters the throne room, Yevon stands.

-Yevon sends guards to fight.

REI (V.O.)
Is Chain not after power? What has
altered your reasoning? I love you,
and nothing will change that. I do
not understand what has changed
with you.

-A single guard walks in, soaked in blood.

-Chain walks up to Yevon, offering assistance. She shakes her
head.

REI (V.O.)
I do not care about the kingdom, it
is you I care about. I am coming to
visit, I want to see what is
happening, and I want to do
everything in my power to help,
because that is how deep my love
runs for you Yevon.

-Yevon stands.

-She takes her fathers sword and walks out the door.

YEVON (V.O.)
Dearest Rei, a dragon is
terrorizing our kingdom, and
soldiers are being picked off. I
did not think it would come to
this, but I am going out to defend
my kingdom in their stead.

-Yevon walks in drenched in blood. The guards and Chain are
all in disbelief.

YEVON (V.O.)
No one else can die, I refuse it.

-Yevon walks to her throne, but is stopped by the guards.

REI (V.O.)
I saw everything.

-Chain sits at the throne. Yevon attempts to get back to her throne, but is held back by the guards.

REI (V.O.)
I had all faith in you, I knew that
you have been under pressure, but
to slay the pleasant dragon, how
far must you fall, my love?

-Rei enters the throne room, Yevon looks to him.

REI (V.O.)
What amount of turmoil must you
yourself endure to do something so
cruel? To destroy your kingdom in a
single fortnight, and right before
my eyes?

-Chain points to the outside of the Castle. Rei's gaze follows Yevon, as she is taken out of the kingdom.

REI (V.O.)
My love for you has not severed,
and curse myself for that. You are
a witch, and I, a fool. You were
correct. Fit for this kingdom you
are not. Fit for any kingdom you
are not.

EXT. KINGDOM - DAY

-Yevon looks back at the kingdom, before she walks in the opposite direction.

REI (V.O.)
I pray that you will find
salvation.
